

Dear Friend:

Pelicanpalooza has been hosting a benefit concert for 15 years; however, we felt like it was time for a change. This year's event will be more of a Gala event for adults featuring a casino, live entertainment, food from local restaurants and premium alcohol supplied by Southport Hall.

Attached you will find information regarding Pelicanpalooza 2018 as well as Camp Pelican, a free week-long overnight summer camp experience for children with pulmonary disorders. As you will soon read, Pelicanpalooza is an annual benefit to raise funds for Camp Pelican. 100% of the proceeds raised through corporate sponsors, donors, and guests at the benefit itself go directly to Camp Pelican. Our event will be held on Saturday, August 25, 2018, at Southport Hall, and we are currently seeking sponsors as well as contributions from local businesses or individuals. Please review the attached information and consider being a supporter for this year's event.

Last year's event raised approximately \$35,000, so we are hoping to surpass that number in 2018. Any and all donations are greatly appreciated!

Thank you in advance for your time and consideration. If you have any further questions, please do not hesitate to contact me at your convenience.

Sincerely,

Brandy Landry
